### Stratabound Announces Extension of Option Agreement

**Calgary, July 19, 2012 - Stratabound Minerals Corp. (TSX.V:SB)** (the "Company") announces that Commander Resources Ltd. has agreed to extend the Company's option period on Commander's property which adjoins the north boundary of Stratabound's CNE/Captain claim blocks near Bathurst, New Brunswick (see news release dated July 29, 2010 at [www.stratabound.com](http://www.stratabound.com)). The option period has been extended from July 27 to September 30, or if drilling is still in progress on September 30, until completion of the drill program. Stratabound will issue an additional 10,000 shares to Commander as consideration for the extension, subject to regulatory approval.

Grid cutting and magnetic and Max/Min electromagnetic surveys were conducted in June, and a gravity survey will be underway shortly, followed by drilling of selected targets with copper-gold and lead-zinc-silver potential.

### **About Stratabound Minerals Corp.**

Stratabound is a Canadian natural resource company exploring and developing base metal and gold properties in eastern Canada. It is currently focused on bringing the CNE lead-zinc-silver deposit into production in the infrastructure-rich, world-class Bathurst Mining District of northern New Brunswick.
